

All Thrivent clients with membership are eligible to lead a Thrivent Action Team. However, the number of teams each client can lead per year depends on membership type. Clients with benefit membership are eligible to lead two Thrivent Action Teams per calendar year, and [clients with associate membership](#) are eligible to lead one per calendar year.

Thrivent Action Teams

Did you know that Thrivent offers up to \$250 per project to help Thrivent Financial members support their communities via volunteer activities? Thrivent clients (ages 16 and older) are eligible to lead up to two Thrivent Action Teams per year.

Thrivent Action Teams can benefit the Bay Area Life Center! Here are some ideas:

- **Packages of diapers/wipes:** \$250 can be used to purchase the items that volunteers assemble into packs given away to BALC guests
- **“Layettes”** to be given to expectant moms: \$250 can be used to purchase items such as baby bathtubs, shampoos, lotions, burp cloths that volunteers can assemble
- **Socks and underwear:** \$250 can be used to purchase new socks and underwear that volunteers can repackage
